## Overall Score

**Level 4**  
90 points minimum

- You have presented equal time (of the allotted amount) between the project manager and Scrum master.
- Showed that you understand the project, the system's purpose, challenges.
- Your information about the sprint is clear and easy to follow.

**Level 3**  
74 points minimum

- You have presented the information between the project manager and Scrum master somewhat equally and used the allotted time.
- Developed an easy to follow presentation that is **not** confusing to the audience.

**Level 2**  
50 points minimum

- Your shared time was not allocated between persons and outside of acceptable limits.
- Showed that you have a vague idea about the project, the system's purpose, challenges.

**Level 1**  
22 points minimum

- You have presented a way that one person did all the work.
- Showed that you have a very little understanding about the project, the system's purpose, challenges.
